RE: Buy America Program Compliance

Dear Mr. /Ms.,

This letter is to certify that products manufactured for delivery under stated bid/contract, will comply with "Buy American" program.

Neptun Light, Inc. guarantees that all iron, steel and manufactured goods used in the project referenced above are produced in the United States, and further:

(1) The final products under bid are manufactured in the United States -- Neptun Light is manufacturing its lighting products at our US located facility in Lake Bluff, IL;

Per "The American Recovery and Reinvestment Act of 2009" Title XVI, Section 1605 (Public Law 111-5). "A manufactured good is a good brought to the construction site for incorporation into the building or work that has been processed into a specific form and shape; or combined with another raw material to create a material that has different properties than the properties of the individual raw materials."

(See 2 CFR 176.140(a) (1)). There is no requirement with regard to the origin of components or subcomponents in manufactured goods used in a project, as long as the manufacturing occurs in the United States. ** Reinvestment Act (Title XVI, Section 1605) **

(2) The cost of domestic components exceeds 50 percent of the cost of all the components used in the product under bid;

(3) Neptun Light, Inc. is a small business concern and provisions of "Buy American" program applicable to small business are taken into consideration; and

(4) If any Non-availability exists in the United States of articles, materials, or supplies of the class or kind to be acquired, either as end items or components used in products under bid, as specified in "Buy American" program - Neptun Light will use foreign material or components in manufacturing products under bid.

We look forward to providing the highest quality induction lighting products with a 5 – 10 year system warranty to support this bid/contract.

Sincerely,

Joseph Forsman
Director of Sales
